****Pictures will be June 14, PLEASE be 20 minutes early before game start time****
Pictures for Team #4 will be June 16

- Games are played on the North diamond.
- All games will be 45 minutes long.
- First team listed is the home team and bats last.
- Tournament games will be at the end.
- Every player gets five pitches regardless of whether they swing or not.
- Player stays at bat if last pitch is a foul ball. This continues until player misses or hit the ball in play.
- Coach will pitch to their own team.
- To control the skill level of the game, play can be stopped by holding up the ball above the players head once it is in the infield. A runner cannot advance any more bases, if they have already rounded the base they may advance to the next base. Once the ball is held up the ball is dead and no more play can happen regardless of the players reactions afterwards. The umpire will determine when the play is stopped and whether runners were advancing. PLEASE TEACH YOUR TEAMS THIS ADVANTAGE!
- There is no stealing, runs can only be scored on runners batted in.
- Games can end tied except in the tournament.
- If the ball hits the machine the player automatically advances to first base.
- If you feel something is forgotten or not written out with rules or concerns, please call Shantry at 435-303-0210

Coaches and Parents: Please take this season to help the players understand rules. We want the players to develop skills in batting, fielding and advantages. Please explain the understanding of tagging up!!

- Team #1 – Rose - L. Blue
- Team #2 – Cavazos – N. Yellow
- Team #3 – Burr/Bunn - Silver
- Team #4 – Williams - White
- Team #5 – Scoffield - Gold
