We are excited that Garland City Wheat & Beet Days are finally here! We would like to offer heartfelt thanks to all those who have volunteered many hours to help make this a success! We live in a great community. A slideshow recapping our Wheat & Beet Days will be available on our website, [garlandutah.org](http://garlandutah.org).

### **Garland City Wheat & Beet Days August 4-5th.**

We invite Garland City residents, as well as those who just want to have some fun, to join us! We have fun activities and entertainment planned including the parade, Lil Miss & Mr. Pageant, Fun Run, entertainment, food, fun at the park, free activities, and more. Please see our website for activity sign-ups at [garlandutah.org](http://garlandutah.org) and our Facebook page **Garland City Days** for more information.

**2023 Wheelon Award** recipients are (drumroll please...) Ben & Lora Wynn. Thank you Ben and Lora for all you do as you serve our community. We appreciate you and feel blessed to have you here.

**Parade route update!** In order to improve safety and traffic flow we have adjusted the route of our parade. The parade will start at Bear River High School, heading north, and ending at 100 North Main. The parade will not be going down East Factory this year. There will be no parking allowed along the parade route or on 100 North to 500 East on either side.

### **Public Works**

As our public works department continues to replace meters throughout the city they are spending unnecessary time trying to locate meters that have been covered and are not easily found.

**Please do not cover your meter lids with landscaping, rocks, dirt, etc. If your meter is covered, please uncover it to help our public**

**works department more efficiently serve you. Thanks.**

The Consumer Confidence Annual Drinking Water Quality Report for Garland City is now available. It can be found online in the public notice section of the city website or in person at the city office.

### **Parks and Recreation**

- Football season officially started on July 31.
- Fall soccer registration will be open from July 1st to August 12th. The season begins in September.

**Reminder - Once registration is closed, we can not accept new players.**

Please see [garlandcityyouthsports.com](http://garlandcityyouthsports.com) for information about fees, registration timelines, schedules, and additional communications regarding our sports program.

### **Library**

Stop by the Library booth at Wheat & Beet Days! We will have books and T-shirts for sale as a fundraiser to help with new carpets and blinds for our Library. We will also have an astronomy activity where we will look at the sun. You can sign up to participate in our astronomy activity at our booth.

**Toddler Storytime - Mondays at 10:00 am**  
**Storytime every Thursday at 4:00 pm**

**August 2, 5:30 pm** - Spanish class

**August 2, 5:30 pm** - Book Club (*Practical Magic*)

**August 7, 3:00 pm** - Teen Book Club
