

City Council elections are coming up. We will be having an opportunity to meet the candidates on October 25 at 7:00 pm in the gym at the city office.

As the Lakeshore Learning Warehouse starts on footings or cement work on their building on West Factory, the cement trucks will be in there at about 3am to do the pours so you will hear the backup beeper as they back the trucks out. Please be patient and understanding as they work on this building.

In preparation for snow removal, please trim your trees from hanging over the road to help snow plows be more efficient.
